Sculpture requirements and deliveries

All exhibits must be the original work of the exhibitor.

Sculptors should focus on indoor / indoor appropriate works for this exhibition.

Sculptures must be able to be safely carried by two people.

Sculpture and plinth deliveries are to occur on Monday 1st February between 10am-4pm. The Burrinja curator and their team will be setting up the exhibition in the days following delivery.

Exhibits are to remain on display for the duration of the exhibition.

Plinths

Artists are required to provide their own plinth for this exhibition. Plinths are required to be strong, neat, clean, and white. If a potential entrant is unable to provide their own plinth please contact the exhibition coordinator to discuss via sv_burrinja@sculptorsvictoria.asn.au

Important - please note: It's the responsibility of each entrant to ensure that the plinth they provide for their work is clean and in good condition. The Burrinja curator and their team setting up the exhibition will refuse any plinths they assess as not meeting the required standard.

Insurance & Security

Neither ASV or the venue hold insurance against damage or theft of works so sculptors are advised to insure work individually.

Artists are to remove any unsold works and their plinths between 10am-4pm on Tuesday 9th March (due to Monday 8th March being a public holiday)

Sculpture sales and commission arrangements

Exhibition visitors will be able to purchase works by using the QR code that will be included on the description label (positioned next to each work), or by visiting the online exhibition via the Sculptors Victoria website (the website address will be included on the description label also).

This commission is also payable for any works sold after the exhibition that occurred as a result of having been seen at the exhibition (for a period of three months following the close of the exhibition).

Judging and Prizes

Burrinja will be facilitating a People's Choice vote, open to exhibition visitors. Sculptors Victoria are currently seeking sponsorship to enable other prize categories, and will update entrants as soon as further information is available.

The exhibition committee and Burrinja will publish images of submitted sculptures as part of the exhibition publicity material, the online exhibition and elsewhere on the ASV and Burrinja websites and social media pages at its discretion. The exhibition committee will make every attempt to ensure that sculptors are acknowledged when their work is used for publicity purposes.
